Workshop with Companies and Foreigners Succeeding in a Global Workforce

Free
Registration
Required

Capacity
50
people

Are you interested in learning about what type of people companies are looking for? Do you want inspiration for your job search? You will be able to do all of the above by hearing from the companies who hire foreign residents and speaking to the employees themselves. If you're a foreign resident who is interested in finding a job in Iwate or Japan, or a student who is interested in companies who employ people, please register for this event!
