

LESSON

# 6

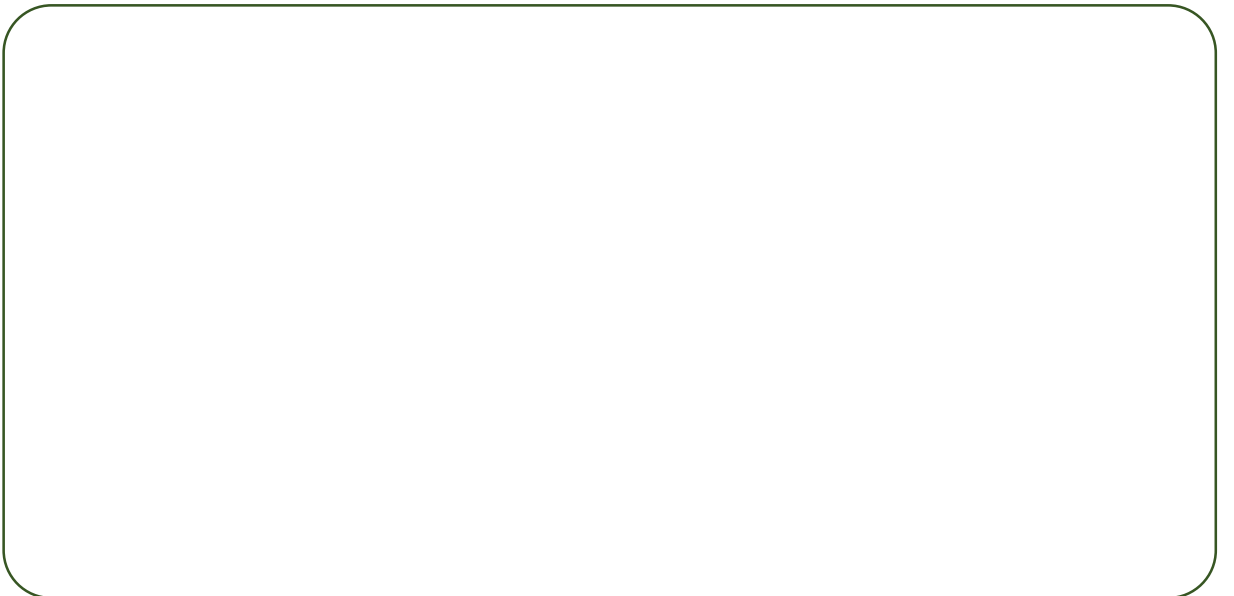

## Evacuation and Disaster Risk Management

Disaster Prevention Handbook for Foreigners

Look at your assigned portion of the Okinawa Prefecture “Disaster Prevention Handbook for Foreigners”. As a group come up with a way to explain this information to a foreigner in 1-2 minutes.

Let’s look at the official English translation of the “Disaster Prevention Handbook for Foreigners” and note any problem areas.

### Disaster Risk Management at the 2019 RWC

There are some important lessons we can learn from the events at the Unosumai Elementary & Jr High Schools during the 2011 tsunami.

Let's try to translate some of the Kamaishi's recent disaster drill.

## Disaster Risk Management at the 2019 RWC

Let's examine Kamaishi's Disaster Guidebook and talk about the evacuation routes and signs around the stadium and fan zone

Let's look at some other useful apps and tools for foreigners

- "Safety tips" App
